REQUIREMENTS FOR RECERTIFICATION

Recertification must be completed every two years. It is awarded on the basis of 40 hours of professional training or education related to the core functions during the two-year certification period. Effective date and expiration date appear on the certificate. Applications received after the expiration date will not be accepted. There is no grace period. Applicant must submit the recertification application with recertification fee to the SCAADAC Certification Commission thirty (30) days prior to expiration date of certification. Applicants must pay a late fee if they do not have their applications postmarked at least 30 days prior to expiration of their certification.

Training for purposes of recertification is defined as an organized, goal-directed event within a specified time frame of at least one (1) contact hour focusing on skill development and information transmittal. A formal evaluation process is necessary. Some training events may represent a sequential set of experience gained over a period of several days and toward a specific topical area. In-service training is allowable only if it meets these conditions. Training must relate to the core functions of the specialty for which the application is being made.

Appropriate undergraduate courses of one semester may be approved for a maximum of 30 hours each. Appropriate graduate college courses of one semester may be approved for a maximum of 45 hours each. Education must relate to the core functions of the specialty for which application is made; coursework must be completed at an regionally accredited educational institution.

The South Carolina Association of Alcoholism and Drug Abuse Counselors, in recognizing the variety of available training in the field, is the final authority concerning appropriate training or education for recertification purposes.

If recertification is denied based solely on the application and supporting documentation, the applicant may appeal this decision to the Advisory Board of the Certification Commission.
